Certificate of Completion

Course duration: 25 hours

The recipient of this certificate has successfully completed all modules of the 'Data-informed teaching and learning: a pathway to action and inclusivity' course on EUN Academy. The recipient has passed all quizzes on the topics of the modules, engaged in discussions about the module questions, written an inquiry plan incorporating ideas from the course, and reviewed the work of 3 other course participants.

Learning objectives:

- Identify and collect relevant data to reflect on your teaching practices and make informed decisions to improve them.
- Evaluate inclusion-related challenges and risks in educational data use and apply strategies to promote fairness and student agency.
- Critically reflect on the role of data and data-driven tools in your classroom.
- Experiment with different data types and tools to determine which best supports your teaching practice.
