Certificate of Completion

Course duration: 6 hours

The recipient of this certificate has successfully completed the 'Navigate EdTech – Choosing Wisely for Learners' course on EUN Academy. The recipient has passed all quizzes on the topics of the modules, and engaged in discussions about the course questions.

Learning objectives:

- Identify key gaps and opportunities in your institution's current digital strategy and explore how EdTech tools can support long-term educational goals.
- Formulate measurable learning outcomes that align with your school's curriculum and outline a plan for evaluating the impact of EdTech on student learning.
- Assess the current digital infrastructure of your school and prioritise key areas for improvement, creating a basic plan for upgrading tools and resources within budget constraints.
- Evaluate the usability of select EdTech tools by conducting basic usability tests and providing recommendations based on initial feedback from teachers and students.
